

Honda 4000W Generator - EC 4000

The EC4000 is the mid-range model in our value for money EC generator line-up. The EC range is built as an economically specified machine and offers robust four-stroke reliability housed within the traditional generator frame. The EC range is used widely throughout the construction industry due to the rugged build quality and the continuous reliability customers have come to expect from Honda.

The EC4000 offers the user dual voltage output, 115 / 230 volts, ideal for running 110 volt power tools and standard 240 volt appliances. Featuring a 6-litre fuel tank, running on unleaded petrol, this model will provide 3800 watts of power for 2.8 hours before requiring a re-fill.

Technical Specification

Max HP	9
Sound Level (DB)	75
Output (kw): Rated	3.4
Max	3.8
Output Voltage (V)	115/230
Continuous Operating Hours Without Refuelling at Rated Load	2.8
Dimensions (mm)	L: 800, W: 550, H: 540
Dry Weight (kg)	60
FuelType	Petrol
DC Output	n/a
Current (A)	31/15.5
Frequency (Hz)	50
Tank Capacity (litres)	6
